Discharge	Accepts 8 in. Spiral Wire Discharge Hose	
Hyrevz™ Motor	06900	

Features and Benefits

Stanley's **VF80** vent fan is designed for heavy-duty service, quickly ventilating large spaces such as vaults. The **VF80** offers quiet, continuous-duty, efficient operation.

1,700 scfm/802 Isec capacity quickly vents even large spaces - cuts down worker waiting time.

Centrifugal blower operates at lower rpm, yet delivers large volumes of air.

- Quiet, efficient operation.
- High-impact plastic case withstands rough handling.
- Standard 8 inch/20 cm discharge.
- Accepts standard heaters or coolers.

WARRANTY

Stanley Hydraulic Tools and their associated parts are warranted against defects in materials and workmanship for a period of twelve months from the date of purchase. Stanley Hydraulic Tools reserves the right to repair or replace only those parts which prove to have been defective at the time of purchase. This warranty becomes void if maximum flow and pressure ratings are exceeded.

All Stanley Hydraulic Tools, Parts, Accessories and allied equipment are subject to design improvements, specification and price changes at any time without notice and with no obligation to units already sold. Weights, dimensions and operating specifications listed herein are subject to change without notice. Where specifications are critical to your application, please consult Stanley Hydraulic Tools.
